The Ferrari 488 Pista Spider and the Ferrari F8 Tributo star in the renowned *sport auto* Award 2019

Stuttgart – November 21, 2019. The Ferrari 488 Pista Spider and the Ferrari F8 Tributo have received two important awards from the leading German automotive magazine *sport auto* in their annual readers' poll.

During last night's award ceremony in Stuttgart, the organizers unveiled this year's 28 champions, one for each category of the *sport auto* Award 2019. The 488 Pista Spider and the F8 Tributo triumphed in the "Imported Production convertibles over €150,000" and in the "Imported Production coupés over €150,000" categories respectively.

The Ferrari 488 Pista Spider sets a new benchmark for Ferrari open-air performance, with an unprecedented weight-power ratio of 1.92 kg/cv. The car offers the highest level yet of technological transfer from the track to a road-legal drop-top car and delivers a seamless combination of razor-sharp acceleration, braking efficiency, lightning-fast gear shifting, precision steering, grip, stability and superb handling for a completely captivating and unmatched driving experience.

The Ferrari F8 Tributo is the new mid-rear-engined sports car that represents the highest expression of the Prancing Horse's classic two-seater berlinetta. The name ("tribute" in English) is an homage to the model's uncompromising layout and to the V8 engine that powers it, which delivers a massive 720 cv and a record specific power output of 185 cv/l. Indeed, this powertrain has won the International Engine of the Year award four years running and was also voted the best engine of the last two decades.
