Universo Ferrari – giving tifosi and enthusiasts
a very special glimpse of our world.

A unique opportunity to discover the inner workings of the Maranello
marque in the two last weekends of September.

Maranello, 18 July 2019 – The Ferrari Museums offer visitors a fantastic opportunity to get a much deeper insight into the Maranello marque. For the last two weekends of September, the doors will open on the Universo Ferrari exhibition which will give exclusive and unprecedented access to visitors.

This is the first exhibition to specifically explore the world of Ferrari and is being staged in a special structure near the Fiorano circuit where visitors will be able to tour areas dedicated to all the company's various activities, from its Classiche division to its GTs, racing cars and, of course, the Scuderia Ferrari.

In another unforgettable surprise, Prancing Horse enthusiasts will have an exclusive opportunity to admire the latest Ferrari models, a treat normally reserved solely for our international clients.
