

Worldwide Ethics and Compliance Contact List

Since the 23rd of September 2016, the new [Ethics Helpline](#) is available. The Ethics Helpline is the preferred channel for requesting advice or reporting concerns about alleged situations, events, or actions, that may be inconsistent with our Code.

In the event that you observe or are made aware of conduct that is not within the spirit of the Code, or you are seeking guidance, you can also contact your supervisor, your local Human Resources, Legal Department or Internal Audit or you can contact the following channel:
